

Scott Fund Trust

Guidelines for applications for Teacher Aide hours

Policy Statement

The Scott Fund Trust assists children with disabilities on the East Coast by providing funding in response to applications supplied by their parents and supported by other agencies and health professionals as appropriate. The form which is attached to and forms part of this policy is available on the website to be downloaded and completed as part of the application.

The information supplied will enable trustees to make an informed decision about the allocation of teacher aide hours up to \$1000.

Children with disabilities on the East Coast will then be able to be assisted to achieve their goals in the most appropriate way and in accordance with an approved planning process.
